Good morning! It's Micah from 731 and I'm here this Thoughtful Thursday on behalf of the S.E.A.L Team.

Did you know today is A Hole in My Bucket Day? This day is all about the classic children's song that reminds us about problem-solving and working together. It's a fun way to think about how we can fix small problems before they become big ones.

As the song goes, "There's a hole in my bucket, dear Liza, dear Liza." Let's use today to remember that we all have the tools to solve our problems, and sometimes we just need a little help from our friends.

Today is also an exciting day for the 7th grade as they head out for their Field Day! We hope you all have a fantastic time filled with fun games, great memories, and lots of laughter to share.

Thanks for listening have a Tackle Problems Together Thursday 😊
