Good morning I.S.201! This is Michelle from class 753, here with you this Talk A lot Tuesday on behalf of the S.E.A.L Team.

Right after Thanksgiving is Giving Tuesday - a global day dedicated to generosity and charity. The purpose of this day is to encourage others to **give back** to the world. It's here to balance out Black Friday.

On this day, individuals are encouraged to donate to charities and spread small acts of kindness. Anyone can participate, like schools and nonprofit organizations. Giving Tuesday is not just a day, it's a reminder that little contributions to the world can cause a chain reaction - positively.

You can also contribute to Giving Tuesday. Today, you can donate to any charities or any fundraisers! Remember that even the smallest amount of contribution can help someone in need. Everything you do to help out is encouragement for others to do the same. So, today try to give back.

Like Walt Disney, today's affirmation is: *"I work hard to bring joy to others."*

That's all for today; thank you for listening and have a Thankful Tuesday 😊
