

May 6, 2024

Good morning IS201! It's Elly Wufeng from 851 back with you on this Motivational Monday on behalf of the SEAL Team.

This week is Teacher Appreciation Week! It's a whole week dedicated to celebrating the hard work, dedication and care that teachers provide to us. Teachers not only pass on knowledge to us, but they also inspire students and serve as mentors and role models. A teacher's impact extends beyond just the classroom walls, they help shape our character and future success. Teachers are arguably the most important members of our society. What we are taught at a young age continues to follow us throughout the rest of our lives. And here's a poem written by a former member of our SEAL Team, dedicated to our amazing teachers and staff:

Teachers

Paint minds

Guide thoughts

Embrace achievements

Advise faults

Teachers

Inspire a love

Of knowledge and truth

As they light the path

Which leads our youth

Teachers

Our future gets brighter  
With each lesson you teach  
Each smile gets wider  
With each goal you help reach

Teachers

You help us fulfill our potential  
And for that you are essential  
We appreciate you each day  
And for that we want to say  
Two simple words  
That will go a long way  
Thank you

Affirmation of the Day-

“I will keep the promises I make and follow through on my commitments.”  
Thank you for listening and have a Make Sure to Thank Your Teachers  
Monday!

SEAL Team pledge:

We are the Dyker S.E.A.L. Team  
Positivity is our dream  
We teach it every day

To help others live the optimistic way  
We learn to control our emotions and feelings  
So, we always have effective social dealings  
No stone left unturned; no person left behind  
Every member of our team has the power to be kind  
We spread kindness to our friends, families, and those who need a smile  
When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
