Good morning, I.S. 201! I'm Celine from Class 814, here with your Thoughtful Thursday announcement on behalf of the SEAL Team.

Today is National Poverty Day, a time to think about how we can support those who are less fortunate. Even though the world has plenty of resources, millions of people still struggle to get basic things like clean water, education, and healthcare.

Today is a reminder that we all have a role to play in making sure everyone has what they need to live a healthy and safe life. Let's take this day to reflect on how we can make a difference and support those in need, both here and around the world.

Thanks for listening and have a Trust in Kindness Thursday 😊
