Good morning Dyker! It's Jessica Mesiha back with the SEAL summaries of the week! Today is Gun Violence Awareness Day. Since 2015, it falls on the first Friday of June to remember the survivors and victims of gun violence. This is an annual event recognizing the more than 100,000 people are killed or wounded by gunfire in our country each year. People are encouraged to wear orange. Just like hunters, we wear orange to show others that we are not a target and do not want to be the next victim of gun violence. Too many lives have been lost from gun violence and we need to educate ourselves that guns are dangerous and can be fatal.

Now, to bring back that positivity we've been longing for let's recite the SEAL team cheer together. Here we go.

That's it for today's SEAL team summaries.... Be safe and remember to be part of the solution not the problem. As always, have a great day and you'll hear from me next week Dyker!!!!

Next week, is an important week for some of us eighth graders. It's Regents week. We've been preparing for this exam since the beginning of the year in September. It's the moment we've been waiting for. Sixth and seventh graders, don't forget to wish your seniors buddies good luck, your support matters to us. I also, want to wish everyone taking the exam the best of luck. With a little bit of confidence I'm sure we will crush the exam, thanks to our amazing math and science teachers. Just make sure to review this weekend!

Good morning Dyker! It's Jessica Mesiha back at it with the SEAL team summaries! We're getting super near to the end of the year! Isn't that exciting?? Only one more S.E.A.L. team summary after this one and you'll never hear a Jessica Mesiha announcement again. Really quick, I just want to applaud everyone who took the regents yesterday and the day before!! You guys worked extremely hard and I'm sure you all did well. I also want to give a shout out to our awesome science and math teachers for all their help and guidance throughout the year.

Now, this Sunday we will be celebrating a holiday known as Juneteenth. This holiday commemorates the end of slavery for the last slaves in Texas nearly two years after Abraham Lincoln issued the Emancipation Proclamation in 1863. It has been celebrated by African Americans since the late 1800s. The holiday is also called "Independence Day," "Freedom Day" or "Emancipation Day." It is a day in which we should embrace and respect our freedom and equality for all.

At this moment let's all recite the SEAL team cheer together! Here we go!
