Good Morning I.S.201! My name is Esther Chen from class 752, and I am here for the Words of Wisdom Wednesday on behalf of the S.E.A.L team.

Today is National Take a Chance Day. It's about taking risks and stepping out of your comfort zone. Whether it's trying something new, making a bold decision, or facing a fear, today is the perfect day to embrace the opportunity to grow. Taking chances is how we learn and discover our potential. Sometimes, it feels scary or uncertain, but the rewards are often worth it. You never know what might happen when you take a chance — it could lead to new experiences, skills, or even success. So go ahead, make today the day you take a chance — you've got this! Risk-taking is how we discover and learn what we can do so don't be afraid to step out of your comfort zone — sometimes the biggest rewards come from the chances we take.

Affirmation of the Day: I focus on what truly matters in life.

Thank you, and have a Winning Wednesday 😊
