Good morning IS201! It's Elly from class 751 back again with another motivational message on behalf of the SEAL team.

Many of you have probably heard, the World Cup set in Qatar has begun! What an exciting time for the soccer fans. Which team are you rooting for? Now back to the message, I would like to share a quote from Pelé, one of the greatest soccer players of all time. As said by Pelé, "Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do." Think about all your achievements and all the things you've accomplished. They certainly did not come as a surprise or happened accidentally, they came from all the hard work you did. If you are willing to put time, effort, dedication and perseverance into the work you do. Then just like Pelé, you will find a way and succeed.

Now, let's take out our SEAL team pledge and recite it with me.

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile

Thank you for tuning in! The SEAL Team and I wish you all a Magnificent

Monday!! 🌍 😊
