

June 2, 2025

Rise and shine, I.S.201! This is William Chen of class 752 speaking to you for today's Motivational Monday on behalf of the S.E.A.L Team!

First of all, let's welcome June! As we are entering the final month of the school year, this is also a reminder that the last day of school is right around the corner! Moving forward, did you know that June is National Outdoors Month? The purpose of this cause is to inspire us to go outside and explore nature, to contribute to the enjoyment and preservation of our natural environment. From this, we can also raise awareness and gain the benefits of how the outdoors can improve our physical and mental well being. As Vincent Van Gogh once said, "If you truly love nature, you will find beauty everywhere." This quote suggests that if we have a genuine appreciation for nature, we can truly enjoy its beauty and greatness.

Thanks for listening and have a Mystical Monday 😊
