Good Morning IS 201! I am Hana from 731 and I am here with you this Thoughtful Thursday on behalf of the SEAL Team.

Did you know today is national bake cookies day. This sweet celebration is more than just mixing dough and chocolate chips, it's about spreading kindness, warmth, and teamwork, just like we do here each day. When we bake cookies, we often do it together: helping measure ingredients, sharing tools, and making something everyone can enjoy. That spirit of cooperation is exactly what SEAL Team values promote, supporting one another and working as a team to create something positive.

As we approach the holiday season, Bake Cookies Day also reminds us that small acts of kindness can make a big difference. Whether it's sharing a treat, offering a smile, or lending a hand, kindness is the ingredient that makes our school feel like a family.

So today, IS 201, let's sprinkle a little extra sweetness into our halls. Remember: just like a good cookie, kindness is best when shared.

Like Walt Disney, the affirmation of the day is, "I build magical moments with simple acts."

Thanks for listening and have a Tasty Thursday 😊
